

## Application Contract & Agreement of Liability Waiver

This form must be signed and returned prior to set-up at the Flea Market.

Thank you so much for your interest in joining us at the NEW Etown Fancy Flea. We have a great location for our event. The location is a large space with parking that holds over 400 parking spaces. We have plenty of overflow parking and space to grow with the event to add as needed. The location was formerly Movie Etown. We are not show promoters but have been in this industry for over 20 years. Our goal is to utilize this great space to bring a fun monthly (excluding winter) event to Elizabethtown, PA. We have had a few events here so far and have had over 500 families attend each of them. Our growth has been just over 20% at each of the events so far. We recently added food trucks which have been a huge hit. With the location being right on a main road and directly off 283, we not only get preplanned shoppers, but many passerby travelers interested in what's going on.

We have put a generous social and marketing budget into promoting this community event. We look forward to seeing the event grow and give back. All booth fees will directly go to the Community Cupboard of Elizabethtown. No booth fees will be paid to us. This is a community event, and we just want to help give back. As the event grows, we will increase that budget as needed to promote the event and your business attendance. Our passion is small business, so we are not permitting "flea market" booths. Handmade, upcycled, vintage, antique and new product booths are strongly encouraged. All vendors must have a sales tax license and show insurance for their business.

Thank you so much for your interest in our community event. We hope you will join us! Any questions please email: [etownfancyflea@gmail.com](mailto:etownfancyflea@gmail.com).
